Amadablam Peak Climbing, Among lots of spectacular and magnificent mountains of this Himalayan nation, the Amadablam which is also called as the neighboring mountain of Mount Everest is regarded as the most picturesque mountain. The amadablam expedition is the spectacular expedition in the mountain which is referred to as a mother in local terms and terminology. Aama means mother and Dablam Means Mountains in the local language. Experience the thrill of doing summit in this beautiful mountain and be the part of brave climbers to summit these mountains in Nepal.

Amadablam Peak Climbing is a peculiar mountain which is located at the south of Everest and Lhotse in the Himalayan range of Khumbu region. The Ama Dablam lies along with the 2200 foot peaks in this Himalayan range but this beautiful mountain is distinct and can be recognized by its pyramid shape and sharp edges. The visual delights of the Ama Dablam look stunning and resemble the triangle shaped 3D white chocolate pastry. Ama Dablam

summit peak provides the spectacular 360-degree views of all the panoramic mountains of the Khumbu Region. You could sense the place above clouds in this mountain summit. The summit of the mountain is spacious for at least one tent to be accommodated so there would not be any problem to spend at least half or one hour of time. The time spent in the tip of the Ama Dablam can be well cherished by the view of the sunshine in the neighboring mountains of the Khumbu Region. The time frame for this expedition can be varied from 15 to 25 days of the climbing period which depends upon the weather conditions. The best seasons for the summit of the Mount Ama Dablam are in April, May, September, and October. Come to witness the majestic and beautiful mountain up there in the Khumbu Region.

Join the expert and local team of The Nepal Hiking Trek team of the expedition. We would not leave a single stone unturned to serve you with the great hospitality and the safety while Amadablam climbing the mountain. We believe in providing the worth of adventure, service, and satisfaction to our valued clients for what they have spent in the expedition.
