The beautiful **Annapurna Base Camp Trek** leads to a bowl-like Himalayan sanctuary encircled by white peaks, some higher than 8,000 meters. The trek, in the awe-inspiring Annapurna mountain range, takes you through rhododendron forests, traditional Nepali villages, and ever-higher vistas.

The **Annapurna Base Camp Trek**, We begin in Nayapul and hike to Ghorepani. The next morning, we wake up early to catch the sunrise at Poon Hill, where we get a stunning, panoramic view of the Himalayas, including the peaks of Dhaulagiri(8,167m), Annapurna I(8,091m), Fishtail(6,993m) and the three-peak Nilgiri range. At Tadapani, the trail splits and we take the base camp route. We continue through beautiful villages, such as Chhomrong, nestled amid the awesome mountain peaks.

The **Annapurna Base Camp Trek** reaches Machhapuchhre (Fishtail) base camp and then ultimately Annapurna Base Camp trek. Early the next morning, we catch the sunrise. The sun

bathes the top of the snowy peaks with a golden glow, giving you a memory you will never forget. Trekking down, we stop to enjoy the hot springs in Jhinu Danda, trek to Nayapul and drive to Pokhara. The itinerary can be customized to meet your needs and interests.

How long is Annapurna Base Camp Trek?

Annapurna Base Camp Trek Distance is 120 km in total. We have to work 7-10 km daily on average. The time we spend to pass this distance daily is between 4-6 hours. The trail is ups and downs all the days since we are trekking in the mountain. However, there is not a considerable steep hill except Ulleri. Even this walk is pleasant through beautiful settlement and lush rhododendron forest. The leader will make perfect planning how to pass this distance daily and we do not really feel tired of working with the group. We also have some snacks and tea during we cross 7-10 km distance every day. So, it is going to be memorable and graceful.

How difficult is Annapurna Base Camp Trek?

Annapurna Base Camp Trek Difficulty is a much-discussed topic before making a trip to Annapurna Base Camp. Relatively, Annapurna Base Camp Trek is not much difficult as other treks in Nepal like Everest Base Camp Trek and Manaslu Trek. However, it depends on your age and experience. The beginners find this trekking absolutely perfect because we do not go higher than 5 thousand meters. But sometimes, even Annapurna Base Camp will be hard to trekkers who have very weak stamina and people of old age. Simply, we have to work 4-7 hours a day on average. In between, we have the chance to have tea, some snacks, and lunch too. So, to make a judgment, Annapurna Base Camp Trekking is neither difficult nor easy, somewhere in between,

How much Annapurna Base Camp Trek Budget?

And this core itinerary can be offered in different ways such as 9 days Annapurna Base Camp Trek Itinerary, 10 days Annapurna Base Camp Trekking Itinerary and

even 8 days Annapurna Base Camp Trekking Itinerary and so on. Actually, the most rewarding trekking itinerary is 11 days Annapurna Base Camp Trekking Itinerary. However, the trekkers who cannot spend all 11 days will go with fewer days itineraries.

Annapurna Base Camp Trek Map

Annapurna Base Camp Trek Map can be downloaded online and also we can buy it in Kathmandu in many shops. If we are planning to trek to Annapurna Base Camp, Annapurna Base Camp Trek Map will assist us in many ways. On the one hand, this map will help us to plan the itinerary on a daily basis. On the other hand, we get information about distance, destinations, and boundaries. Similarly, we get plenty of information on flora and faunas and most importantly, mountain peaks. The map also provides important information about the facilities such as health post, market, telephone, restaurant and hotels and so on.

Annapurna Base Camp Trek Package

Annapurna Base Camp Trek Package includes your accommodation, transportation (land), foods and entry fees. Similarly, it also includes porter and guides during the trek. Most of the trekkers prefer package trip to Annapurna Base Camp. Package trip is, of course, more convenient than non-package trek. In package trek, the guide will deal with everything required during the trip. He, she will arrange all required accommodation, food, itinerary, daily work, etc. So, the independent trekkers can enjoy the trip in their own way lessening the burden of work.

Annapurna Base Camp Trek Review

Annapurna Base Camp Trek Review can be read or viewed in different sources. Among various sources of reviews, the most reliable sources are Google and Trip Advisor reviews made by the trekkers. Besides, we also can see reviews about Annapurna Base Camp in

different websites of trekking companies. The trekkers connected or made their trip through a particular trekking company make the review about the trip on the company website. Indeed, most of the trekkers make their choice of the trips according to the reviews made by the trekkers who have already visited the destinations.

Annapurna Base Camp Trek Solo

Annapurna Base Camp Trek Solo is possible but in fact not considered to be safe and convenient. Trekking in the mountain in a group is far better than trekking solo. Trekking with porter or guide will be safer and logical in the mountain. If anything happens in the mountain, soon the guide and the porter will get ready to help the tourists. Also, the guide will help you acknowledge the local culture and importantly mountain peaks. In contrast to, the solo trekking will have to confront everything by oneself which is really difficult in the mountain in a strange place.
