the typical forest camp. The chirping sound of bird and clattering of the river in forest atmosphere worth every penny spent for the trip. The journey then heads to Langtang Valley Village passing by the Ghoda Tabela. You will be able to see the reminiscent of the village washed away by the Langtang Glacier outbreak during the earthquake in Nepal. The journey further moves to Kyanjin Gompa. The place is best to learn the Tibetan culture and traditions mixed with the Nepalese origins in the region. You can observe the locals' daily lifestyle and way of living. The journey then heads to the most strenuous junction the Ganjala Pass. This Pass is situated at an altitude of 5122 m from sea level. Once you cross this beautiful pass the gorgeous Helambu area appears. The scenes of the mountains seen during this trial are of Langtang, Lirung, Sishapangma, Ganjala itself and other Himalayan ranges. Once you have reached the Helambu the journey heads to Melamchi Bazaar passing by the forests. You can encounter various endangered species of vegetation, animals and a bird too as it is located inside the Langtang National Park. The bus driver will take you back to Kathmandu.
