If you are looking Lobuche Peak Climbing wishing to gain the experience of climbing the peak above 6000m and also to feel the adventure as if you are scaling the higher peaks then Lobuche is the best option to choose. Lobuche for the peak climbing experience is an amazing activity to do in the field of peak climbing. This attractive peak offers you the numerous alternatives in terms of the scaling routes with existing routes and wide scope for new lines.

There exist two distinct summits to Lobuche peak Climbing: Lobuche east (6119m/ 20,075ft) and Lobuche west (6145m/ 20161ft). Even if both the peaks are connected by the same ridge there is a considerable gap and a sharp distance between each other. The Lobuche East can be scaled with the Trekking Peak permit however the west summit should be done after the expedition permit only. The Geographical picture of the Lobuche peak is an as dark rocky triangle as seen from Pheriche and the East Ridge rises above the Khumbu Glacier.

This skyline forms the south ridges, the junction of the east faces with the glaciated southwest face and the line of the normal route of ascent. This, in turn, leads to the summit ridge running North West from the top of the east faces through several small summits to the east peak. This trekking peak has awesome views along the ridges of the Khumbu Glacial. The unique artistic dark rocky triangle looks an alike kind of peak has been attracting lots of peak climber to its womb.

Overall the Lobuche peak climbing experience can be slightly strenuous to that of other peak climbing in Nepal. However, the expert and highly skilled group of the climbing organizing team of the Nepal Hiking Trek family would ensure the comfortableness and feel good factor during, before and after the peak climbing. Come join Nepal Hiking Trek family's vibrant group of Peak Climbing Experts and let's create the history together by adding this adventurous moment in your life. It is highly recommended to remove the monotonous and drabness from your life through these adrenaline rush activities

Lobuche Peak Climbing is wonderful Place see Mount Everest.
