Trishuli River Rafting

Facts

Destination: Nepal

Trishuli River Rafting is a renowned river for amazing river fun that is taken as the ideal trip. It is comparatively an easier River but the white water rapids give you a different impression. Not only stumble upon with the thrilling rapids, but also the charming views of forests, gorges, and scattered mountain villages make your Trishuli rafting spectacular.

Trishuli River Rafting, After driving for about 3 hours, you reach the starting point, named Charaudi. In monsoon, the thrill loving rafters can make this river trip for three days, but all other times, it begins from this place. No matter, either the beginners or the experienced rafters, both can enjoy this awesome trip. Trishuli beaches are also the fascinating point, where you can openly enjoy the beach games and spend overnight with the campfire. The exhilarating rapids on Trishuli include Snail’s nose, Teendevi, Malekhu rapid, Monkey rapid, Upset, Surprise, Monsoon, Cotton Pony, S-Bend, Ladies Delight, Highway, Monsoon and Pinball Rapid. The day trip ends in Kurintar and the multiday trip ends in Simaltal. Then you drive back to Kathmandu or drive further to the Chitwan National Park.
